## **DETAILED ACTION**

## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John S. Paniaguas on May 25, 2004.

The application has been amended as follows:

Claim 2 has been canceled in its entirety.

In Claim 1 line 5: The term "swivel connectors." has been replaced with—
swivel connectors, wherein said swivel connectors include a first member and a
second member, said first member formed with a first loop portion and an enlarged
diameter portion and a neck portion, therebetween, said second member formed with a
second loop portion and a helical portion, said helical portion adapted to receive said
neck portion.

## Reasons for Allowance

The prior art does not show or suggest a practice ball system wherein the swivel connector includes a first member and a second member, said first member formed with

Art Unit: 3711

a first loop portion and an enlarged diameter portion and a neck portion, therebetween, said second member formed with a second loop portion and a helical portion, said helical portion adapted to be received by said neck portion.

## Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Chambers whose telephone number is 703-306-5516. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Greg Vidovich can be reached on 703-308-1513. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
